WARREN COUNTY OHIO

DEATH RECORDS

Volume 2

1916

thru

1920

Warren County Death Records for 1916 thru 1920 are a continuation of records copied from Vital Statistics. These were compiled with genealogically pertinent data in mind- names, dates, birthplaces & place of burial. These have been indexed to reflect all the surnames- deceased, parents and spouse or relative reporting the death. [Not all reporting parties were recorded as their relationship to the deceased was not indicated.]

The cause of death has in general been omitted as being of concern to the family only.

Format is as follows:

Name of Deceased Sex-Race birthplace(date) death date
Age Father- birthplace
Cemetery Mother- birthplace
Spouse / informant

Publishing made possible by my niece- Becky Dunn who typed the text and Jane Beal Bailey who did the indexing. Thank you, ladies.
